

GRAND OPENING—Lawson Jewelers new store at 1301 Sartori ave. will hold its grand opening at new location this Thursday, Friday and Saturday, with numerous valuable prizes to be given away. One new feature of the modern store is that seating will be provided to customers who want to make jewelry and gem selection. Press Photo

Lawson's Jewelers to Hold Grand Opening of New Store

Numerous prizes will be awarded during the grand opening sale of Lawson's Jewelers at its new location, 1301 Sartori Ave., Thursday, Friday and Saturday. Located in a brand new, modern building at Sartori and El Prado the firm proudly leads a move from an attractive modernization development in downtown Torrance.

All departments have been expanded to give patrons a wide selection of jewelry, watches, diamonds, radios, appliances, camera equipment and luggage. Abe Robinson, vice president of the 20-store Lawson Jewelers chain, fastest growing in Southern California, pointed out.

Robinson has been a Torrance resident for seven years, as has Dave Tanner, manager of the store.

The firm has been located at 1317 El Prado for the past eight years, and is moving to larger and more modern quarters because of its rapidly expanding

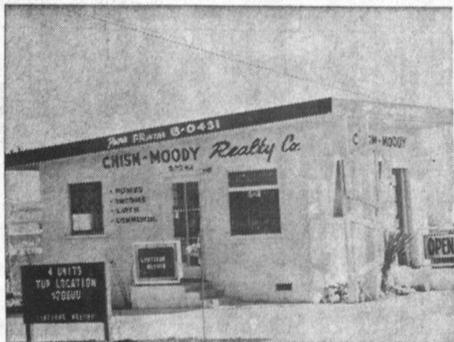

Good Samaritan Role Chosen for County Workers

Drivers of all County cars and trucks equipped with two-way radio now are under orders to render assistance to persons involved in automobile accidents.

The new instructions were issued by the Board of Supervisors on motion of Supervisor Frank G. Bonelli, strongly supported by Supervisor Kenneth Hahn. In calling for the regulations, Supervisor Bonelli reported an incident in Pico-Riviera where a radio-equipped Air Pollution Control car passed the scene of an accident, the driver refusing to stop and render assistance or radio for help even though he was requested to do so.

"All County employees should be good Samaritans and render whatever assistance they can at an accident. Those with radio-equipped cars can also summon additional help, if necessary," Supervisor Hahn declared.

GIVE SCHOOL REPORT
A report on school construction will be given Oct. 13 at the luncheon of the Torrance Educational Advisory Committee at the YWCA.

NOW OPEN—Torrance office of the Chism-Moody Realty Co. has been opened at 20242 Hawthorne Blvd., the second office of the firm headquartered in Inglewood. It will be managed by Dick Moody, assisted by John Haas and Tom Delany. The firm leads in the State in the sale of trailer parks and its motel department is gaining volume. The new office specializes in residential, income and commercial property and has a total sales force of 14.

Open House Set At North High

Open House at North High School is scheduled for Oct. 7, from 7:30 p.m. until 9:30 p.m., and is planned to follow the same procedure as a regular school day with the exception that instead of the student reporting to his or her six classes, the parents will follow the same schedule.

Parents will have the opportunity to meet and get acquainted with their son's and daughter's teachers, thus enabling the school and the parent to work more closely together in the interest of the children.

The "Saxon" Band will be on hand in their first public appearance with their new band uniforms that have been recently purchased by the Student Body.
